SELECT ONE:

- Homemade** (Vehicle that has been produced through the fabrication of raw materials into parts that would not have a manufacturer's assigned serial number displayed on the frame and/or chassis.)
- Replica** (A new vehicle assembled with major component parts built to resemble a specific manufacturer's make and model that is at least 25 years old.)
- Kit Car** (A car sold as a set of separate components, designed to be assembled by the purchaser.)

REQUIRED DOCUMENTS NEEDED TO OBTAIN SERIAL NUMBER

1. On a separate sheet of paper describe how the vehicle was built and by whom. If your application is for a trailer, include a drawing of the frame with a materials list.
2. Attach original receipts for the following major parts: frame, engine, transmission, axles, body tub, and welding receipts. If your application involves a trailer, receipts are needed for axles, steel or other framing materials and welding. If you purchased a vehicle or trailer already constructed, a title, bill of sale, manufacture statement of origin, or construction receipts and ownership history will be required.
3. Attach photographs of vehicle/trailer showing all sides.

Note: Photos and receipts will not be returned. The Department may require a field inspection or additional documents when necessary.

AFFIDAVIT OF RESPONSIBILITY/WAIVER

By completing this application for an assigned serial number, I hereby certify all information in this application to be true and correct. I further certify that I am the legal and rightful owner of the property described above. I accept all responsibility for any outstanding liens or encumbrances.

I, the undersigned, hereby accept all responsibility and liability related to this application. I further explicitly release the Department and its employees of the same. The Department in no way expresses nor implies this vehicle/trailer to be safe or road worthy.
