

South Carolina Department of Motor Vehicles International Customers' Checklist

MV-94
(Rev. 02/2021)

You must choose whether you want to get a REAL ID or not. A REAL ID card will have a gold star on it and can be used to board airplanes or enter secure federal facilities. Without a REAL ID, you must have another federally approved identification, such as a valid US Passport or military ID, and show it to pass security at airports nationwide or enter secure federal facilities. You do not need a REAL ID beginner's permit, driver's license, or identification card to do any of the following: drive; vote; access hospital care; enter non-secured federal facilities such as a post office; receive federal benefits for which you're entitled (Social Security Administration, Veterans Affairs); or participate in law enforcement investigations or proceedings. Regardless of what choice you make the cost of a South Carolina REAL ID is the same as a beginner's permit, license, or ID that is not a REAL ID.

These requirements are for someone who is applying for an SC driver's license, beginner's permit, or identification card (ID). Please use this checklist as a reference.

- **Driver's License:** If you are applying for a license you must complete these steps.
 - Surrender any driver's license, beginner's permit, or identification card issued by another state in the US. If a non-commercial license or ID was lost or stolen, you must provide a certified copy of your driving record from the state that issued the license, beginner's permit or identification card. However, a CDL holder must get a replacement license from his state of record and surrender it to SC. If you have a driver's license or beginner's permit issued by another country, it may need to be shown (not surrendered) as proof of prior driving experience.
 - You must provide the name of your automobile liability insurance company that is licensed to do business in SC information (not required for a beginner's permit or ID). This information is subject to electronic verification. *SC Code Section 56-1-80(C)*
 - You must provide your **social security number (SSN)** which will be electronically verified with the Social Security Administration (SSA), or a letter from SSA stating you are not allowed to work in the US (*This letter cannot be used as proof of address*). The SSN, date of birth and legal name on your application must match the SSA file. *6 CFR Section 37.11(e); SC Code Section 56-1-90*
 - Provide **original** (not photocopied) documents for each of the categories listed on this document unless otherwise stated. This list is subject to change at the SCDMV's discretion.
 - Pass a vision test.
 - Pass a knowledge and skills test unless you have a valid driving credential issued by a country that has established reciprocity with South Carolina (SC). This is a requirement when a driver's license is issued for the first-time and when renewing a license that has been expired over nine months.

The SCDMV will not issue a license to an international customer for less than one year or more than five years. You will be granted a one year extension of your driver's license if you change status while in the US, are pending a change of status, or request a visa extension in status. You must provide all original entry documents, (even if expired) in addition to documentation from US immigration authorities authorizing current presence in the US for the specific visa status.

- **Beginner's Permit:** If you are applying for a beginner's permit, you must complete steps A, C, D and E above and pass a knowledge test. *Steps B and C must be completed when you are ready to take the skills test to upgrade from a beginner's permit to a driver's license.*
- **Identification Card:** If you are applying for an ID, you must complete steps A and C above.

You must provide the following **original** documents unless otherwise stated. All documents are subject to verification. Documents not in English must be translated by a qualified translator on the Translation Document (SCDMV form 4030). The translator must provide a letter of verification from his employer on letterhead qualifying him as a translator.
