### IMF Refunds for Short-Term Rentals

On March 28, 2022, the South Carolina Attorney General's Office issued a formal opinion providing additional guidance regarding the infrastructure maintenance fee (IMF). You can see the official opinion at <https://www.scag.gov/media/sopno0b2/02939131.pdf>.

As a result, short-term rental companies, and licensed dealers who titled and registered vehicles for short-term rental use from March 28, 2022, through June 7, 2022, may be eligible for a refund for the infrastructure maintenance fee (IMF).

To apply for the IMF refund for vehicles that were registered for short-term rental use from March 28, 2022, through June 7, 2022, please provide a refund request on the business letterhead. The request must include all of the following.

- A statement stating the vehicles were titled and registered for short-term rental use.
- A signature from an authorized agent at the dealership.
- The vehicle information number (VIN).
- The date the vehicle was titled or registered for short-term rentals.

The signed statement can be sent to [cartaxes@scdmv.net](mailto:cartaxes@scdmv.net) or can be mailed to the address below:

SCDMV Titles and Registration  
IMF/Non-Resident Sale  
PO Box 1498

After the information is reviewed, a notification will be sent with the status of the refund.
