

**JUSTIFICATION FOR
SOLE SOURCE PROCUREMENT**

Agency: South Carolina Department of Motor Vehicles

Sole Source Vendor: Marshall University Appalachian Transport Institute (ATI)

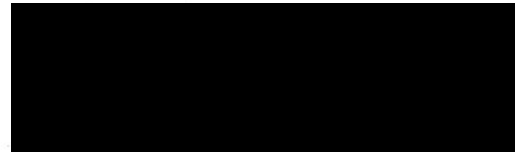

Based upon the following determination, Agency proposes to acquire the supplies, construction, information technology, and/or services described herein from the Vendor named above per S.C. Code Ann. §11-35-1560 and S.C. Regulation 19-445.2105, Sole Source Procurement.

Description of the Agency need that this procurement meets: Geofencing for third-party CDL examiner tablets.

Description of market research Agency performed to determine the availability of products or services that would meet the Agency's needs: ATI is the sole developer of the mCDL application.

Description of supplies, construction, information technology, and/or services Vendor will provide under the contract: ATI will take CDL exam routes for third-party testing organizations as submitted by SCDMV and convert them into GIS shapefiles to be imported into the mCDL Android application examiners will be using for modernized testing. These routes will be considered "geofenced" and will alert the proper SCDMV staff when route deviations occur.

Detailed explanation why no other vendor's supplies, construction, information technology, and/or services will meet the needs of the Agency: ATI is the sole provider for the mCDL application and no other vendor would have the ability or authorization to create and integrate these files into mCDL.
