International Customers' Checklist

MV-94
(Rev.02/2024)

You must choose whether you want to get a REAL ID or not. A REAL ID card will have a gold star on it and can be used to board airplanes or enter secure federal facilities. Without a REAL ID, you must have another federally approved form of identification, such as a valid US Passport or military ID, and show it to pass security at airports nationwide or enter secure federal facilities. You do **not** need a REAL ID beginner's permit, driver's license, or identification card to do **any** of the following: drive, vote, access hospital care, enter non-secured federal facilities such as a post office, receive federal benefits for which you're entitled (Social Security Administration, Veterans Affairs), or participate in law enforcement investigations or proceedings. Regardless of what choice you make the cost of a South Carolina REAL ID is the **same** as a beginner's permit, driver's license, or identification card that is **not** a REAL ID.

These requirements are for someone who is applying for an SC beginner's permit, driver's license, or identification card (ID). Please use this checklist as a reference.

Driver's License: If you are applying for a license you must complete these steps.

- Surrender any beginner's permit, driver's license, or identification card issued by another state in the US. If a non-commercial card was lost or stolen, you must provide a certified copy of your driving record from the state that issued the beginner's permit, driver's license, or identification card. However, a CDL holder must get a replacement license from his state of record and surrender it to SC. If you have a beginner's permit or driver's license issued by another country, it may need to be shown (not surrendered) as proof of prior driving experience.
- You must provide the name and information of your automobile liability insurance company that is licensed to do business in SC (not required for a beginner's permit or identification card). This information is subject to electronic verification. SC Code §56-1-80(C).
- You must provide your **social security number (SSN)** which will be electronically verified with the **Social Security Administration (SSA)**, or a letter from SSA stating you were denied an SSN. **The SSN, date of birth, and name on your application must match the SSA file.** 6 CFR §37.11(e); SC Code §56-1-90.
- Provide **original** (not photocopied) documents for each of the categories listed on this document unless otherwise stated. This list is subject to change at the SCDMV's discretion.
- Pass a vision test. SC Code §56-1-130(A).
- Pass a knowledge and skills test unless you have a valid driving credential issued by a country that has established reciprocity with South Carolina (SC), or a valid driving credential from another US state. This is a requirement when a driver's license is issued for the first-time and when renewing a license that has been expired over nine months.

The SCDMV will not issue a license to an international customer for less than one year or more than eight years. You will be granted a one-year extension of your driver's license if you change status while in the US, are pending a change of status, or request a visa extension in status. You must provide all original entry documents, (even if expired) in addition to documentation from US immigration authorities authorizing current presence in the US for the specific visa status.

Beginner's Permit: If you are applying for a beginner's permit, you must complete steps A, C, D and E above and pass a knowledge test. *Steps B, C, and E must be completed when you are ready to take the skills test to upgrade from a beginner's permit to a driver's license.*

Identification Card: If you are applying for an ID, you must complete steps A, C, and D above.

You must provide the following **original** documents unless otherwise stated. All documents are subject to verification. Documents not in English must be translated by either a qualified, or certified translator on the Translation Document (Form 4030). Qualified translators must provide a letter of verification on employer letterhead qualifying them as a translator. Certified translators can present their ATA certificate.

- Proof of SC address (see below) required when applying for a beginner's permit, driver's license, or ID for the first time, upgrading your card (such as an ID to a beginner's permit or a beginner's permit to a license), or when renewing a license, beginner's permit, or ID that is expired over nine months. 6 CFR §37.11(f); SC Code §§56-1-40(7), -80(3).
- Proof of identity, date and place of birth, and authorized length of stay in the US (see specific requirements below). 6 CFR §37.11(c), (d), (g); SC Code §56-1-40(7), -80, -90.
- Proof documents supporting name change(s), if applicable (see specific requirements below). 6 CFR §37.11(c)

1. Proof of SC Address must show your name and current SC address of residence (not PO Box). Proof of address is not required when renewing a driver's license, beginner's permit, or identification card that has not been expired over nine months. Below are two options you have based on the number of proof of address documents you provide.

- Two proofs of address** are required if you are interested in getting a REAL ID beginner's permit, driver's license, or identification card. You **MUST** provide two items from the categories listed below and each item should be from a different organization. Both proofs of address **must** show the **same** address.
- Only one proof of address** is required if you prefer to have a permit, license, or ID that has **"NOT FOR FEDERAL IDENTIFICATION"** printed across the front of it. This is not a REAL ID.

- SC beginner's permit, driver's license, ID, or vehicle registration:** must show your current residential address or your updated address must be on file within the SCDMV's system if it is not reflected on your card.
- SC Concealed Weapons Permit (CWP); Fishing/hunting licenses or boat/jet ski registrations** (Department of Natural Resources products).
- County tax bill or property tax receipt for your vehicle or home.**
