South Carolina Title number _____ was issued with an odometer reading of _____ (Actual, Exceeds, Exempt, Not Actual.)

Please correct the odometer reading on the title as follows. _____ miles (Actual, Exceeds, Exempt, Not Actual)

The incorrect reading was put on the title because:

(Use extra sheets as needed)

IMPORTANT NOTE: Original documents must be provided to prove to the Department's satisfaction that the odometer reading printed on the title was incorrect and that the new mileage accurately records the odometer reading on the original date of application. The lack of documentation will likely result in the Department's inability to change the title. **Documentation over one year old will not be accepted.**

The following documents should be submitted, if available.

- A series of repair or oil change records (**at least 2 in the last 12 months**) that show the vehicle mileage.
- Statements from previous owners certifying mileage of the vehicle cannot be used to certify the actual mileage of the vehicle and will require an indication of "**Warning – not actual mileage**" be added to the title.

Please note that not all odometer corrections will indicate an odometer legend of "ACTUAL MILEAGE". If the request for correction does not prove to the department's satisfaction that an error was made, the title will be marked "WARNING – NOT ACTUAL MILEAGE".

Requests for odometer corrections made because of Department error will be corrected and may be requested at any DMV Branch office.

Under penalties of perjury, I declare that I am the owner or acting on behalf of the owner and request that a corrected South Carolina Certificate of Title be issued. I further certify that the information on this request is correct to the best of my knowledge.
